

It's Here: You may have noticed something a little different around here lately. After much thought, many focus groups, and careful consideration, ReCycle North is stepping into a new era. We are much more than chairs and computers, stereos and stoves, windows and washers, lumber, and lawnmowers. Our true impact lies in the lives that we have changed and the opportunities that we have made possible. It is for this reason that we are changing our name and hope to broaden the public's understanding of who we are and what we do. We have a great opportunity, and a responsibility, to extend our impact, to change more lives, to provide **ReLIEF**, to **ReTRAIN**, **ReBUILD**, **RePAIR**, and **ReSTORE**.

ReCycle North is and will continue to be a resource and more specifically, **ReSOURCE: A Nonprofit Community Enterprise**.

Please join us on Monday, September 28, at 10am to help us celebrate this exciting change, 266 Pine Street, Burlington. Guest speakers at 10:00 AM with refreshments to follow

Also, on Monday, take a look at our new website, it's a work in progress, but it is great and will get even better! www.resourcevt.org. We will have a Friday email sign up and sign off section, a donation function, and ways to get involved. Stay tuned for in-depth stories on our programs, participants and what's new.

And, visit our new facebook page and become a fan:
